

STICK DEODORANT

Deo Stick

DESCRIPTION

The innovative active ingredient Deo Hap Dry Powder included in this deodorant, allows a long lasting control of sweating and odors formation, respecting skin microbiota.

Thanks to the proven efficacy of Deo Hap, this deodorant is fully active for 48 hours against odors and sweat, even with a single application.

Compared to other classic sweat control products, **Deo Hap Dry** not only respects the skin, but also improves its texture and elasticity.
